

Are you looking for a gap or glide year?

You are invited to an information session to learn more about the one-year MS Program in Nutrition at Columbia University's Institute of Human Nutrition

One-Year MS Nutrition Program Info Session

Monday 4/16, 11 AM – 12:30 PM in LSB 331

If you would like to meet to learn about the program, please

RSVP to prehealth@lmu.edu

As a student in the *Institute of Human Nutrition* you will be trained to:

- become competent in nutrition science as well as in clinical and public health nutrition
- understand the importance of nutrition in health and disease prevention
- and hone writing, critical thinking, public-speaking and leadership skills through our focus on professional development

*For More Information contact Dr. Shelley Weinstock,
sw2666@CUMC.Columbia.edu*
